

**HEALTH AND SAFETY AT SCHOOL**

On a map of your school, use a coded system to mark where the following are located:

- fire extinguishers
- fire blankets
- fire hoses
- fire curtains

Describe the things to do when you have a **fire drill**.

.....

.....

.....

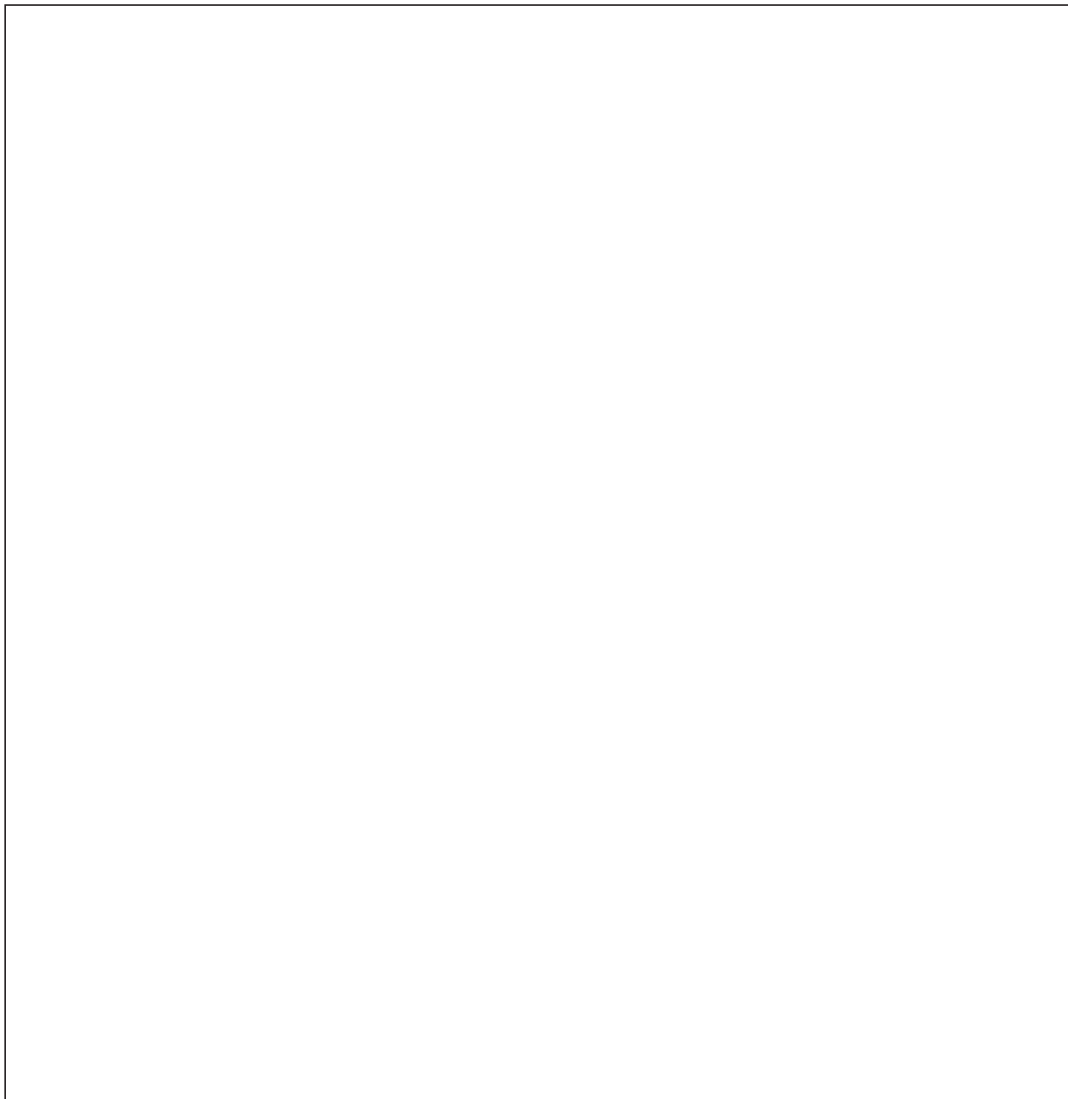

.....

.....

.....

Also on the map mark in the **emergency exit** route to be taken for each classroom.

**Glue on a map of your school below.**
