Something special about **ME** is

Dear future secondary student

We are looking forward to you coming to our Secondary/High School next year.

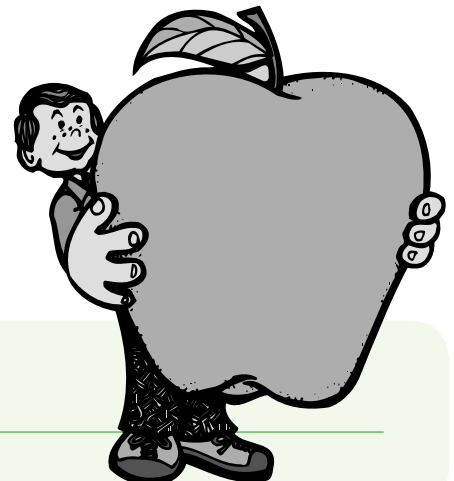

To prepare for next year and to introduce yourself we are asking you to complete some activities and gather some information about yourself.

These will make up your 'Passport' from Primary School to our School. You will begin your Passport in Primary School and finish it in first Term of Secondary School.

After you have collected all of your information and finished the activities, place them in a plastic pocket to bring with you on Orientation Day.

Yours sincerely,
Secondary teachers

Passport Activities

As you complete an activity, tick it off.

Organisation is an important part of Secondary/High School.

1. Fill in the details on the front cover and stick on your ID Photo (you don't have to be in the picture on your own).
2. Read the letter from the Secondary Teachers.
3. Complete the Primary Passport Activities and place in a plastic pocket.
4. Think about any questions you have about your new school next year and write them down. It doesn't matter what they are.
5. What interesting things have you done? Place in the plastic pocket anything you are proud of. It could be:
 - pieces of school work
 - certificates showing your special efforts
 - awards from any clubs you are a member of
 - special photographs of your family, friends, teams, pets.
6. Collect any autographs you would like from Primary School.
7. Anything else?
