

THE LEARNING CURVE PLANNER CHECKLIST

LINKING, THINKING AND LEARNING

Our planners provide a whole school approach to building meaningful relationships and partnerships to achieve high level student learning outcomes and enhance teacher effectiveness. The following are checklists for students, parents and teachers of the features and the benefits that our planners provide. www.learningcurveplanner.com.au

FEATURES

For Your Students

- Weekly Learning Study Strategies/Techniques
- Weekly vocabulary builder, number skills and problem solving exercises
- Monthly and Term reflection pages for students' subject learning goals; formative assessment
- Self Assessment and Goal Setting pages for students' health, personal and academic progress
- Multiple Intelligences, Habits of the Mind, Learning Styles, Emotional Intelligence guides

For Your School

- The website www.learningcurveplanner.com.au contains an array of resources
- A sequential consistent set of planners for all members of the school community

BENEFITS

For Your Students

- • Builds student learning capacities leading to enhanced student outcomes
- • Builds literacy, numeracy and thinking skills
- • Promotes student ownership and investment in a cycle of continuous improvement; quality feedback
- • Instills a habit of the mind in students to develop a purpose for their whole self
- • Encourages students to recognise their own personal and special ways they learn and think

For Your School

- • Complements the planners to enable whole school programs for students, parents and teachers
- • Scaffolds a whole school approach to learning and reduces variation between classrooms; everyone is on the same page

FEATURES

For Your Teachers

- Weekly resources to use in pastoral care and home group classes
- A Teacher's Guide on using the numerous features in the planners
- Weekly vocabulary builder, number skills and problem solving exercises
- An array of higher level thinking tools
- Specific planners for years 5/6, 7/8, 9/10, 11/12 and a coordinating teacher's planner

For Your Parents

- Weekly planner articles in the school newsletter that explain to parents how they can assist their children
- A Parent's Guide on using the numerous features in the planners
- Parent-Teacher communication and monthly reflection sections
- Number skills, problem solving exercises, vocabulary builder and daily general knowledge inserts

BENEFITS

For Your Teachers

- • Enhances teacher effectiveness and whole school vision for the development of students
- • Enables a whole school approach and reduces variation between classrooms
- • Reduces teacher workload and promotes a consistent school wide approach
- • Scaffolds student's thinking which enhances teacher effectiveness and learning outcomes
- • Enables teachers to utilise resources applicable to the year level and tie them in with their own planner

For Your Parents

- • Building parents' capacities to make a difference in their children's education
- • Empowers parents to feel a part of meaningful home/school partnerships
- • Promotes open and clear lines of communication, with the planners being the main vehicle; relationship building
- • Provides parents and students with activities to work on together and discuss at home to build understandings and relationships
