

THINK, PAIR, SHARE

When you are asked to investigate an idea, plan or proposal Think, Pair, Share will help you to

- use your thoughts, those of a classmate and those of a group
- use combined thinking power to thoroughly consider what's involved.
- work close as a team in class

THINK – my thoughts

PAIR – a classmate and my thoughts

SHARE – the combined thoughts of the pairs

“A belief is not merely an idea the mind possesses, it is an idea which possesses the mind.” Robert Bolton
